home page: http://www.aczoom.com/tools/cdinsert/

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

The Adventures Of Sherlock Holmes (Version 2)

Sir Arthur Conan−Doyle

The Adventures Of Sherlock Holmes (Version 2)

A collection of twelve short stories featuring Conan Doyle’s legendary detective, originally published as single stories in Strand Magazine and subsequently collected into a single volume.

There is not always a crime committed nor a culprit to find, and when there is, Holmes does not invariably get his man. However, his extraordinary powers of deduction generally solve the mystery, often to the discomfiture of the official police force. Holmes is a man of many facets, and I do not share the common perception of Holmes as cold and humourless: his sense of fun can be sparkling, and there are moments of rare pathos. (Summary by Ruth Golding)
